

Who we are...

FAITH COMMUNITIES FOR HOMEFULNESS NETWORK

The state of our world. "Homelessness. Longing for home. Ours is a culture of displacement, exile and homelessness. Socioeconomic homelessness is growing with many people seeking adequate housing. Ecological homelessness is increasing, with its sense of alienation from a degraded and defiled earth. And a profound spiritual homelessness pervades postmodern culture."

Steven Bouma-Prediger and Brian Walsh

From homelessness to homefulness..

A theology of home...
