

## CAEH PARTNERSHIP AGREEMENT

**By becoming a partner of the CAEH individuals and organizations agree:**

1. To support the mission of preventing and ending homelessness in Canada as measured by communities achieving functional zero for all populations in their local area.
2. That an end to homelessness in Canada will be achieved when no Canadian individual or family stays in an emergency homeless shelter or sleeps outside longer than one week before moving into a safe, decent, affordable home with the support needed to sustain it.
3. To act within their capacity to achieve that mission.
4. To support the mission, vision and values of the Canadian Alliance to End Homelessness.
