Emergency Shelter Framework

A decorative graphic at the bottom of the slide. It features a blue curved band above a black curved band. Inside the black band, there is a trail of white footprints leading towards the right. On the right side, there is a stylized house icon composed of puzzle pieces: a red roof, a green wall, and a blue wall. The text "ALL ROADS LEAD TO HOME" is written in white capital letters across the black band.

ALL ROADS LEAD TO HOME

YW Emergency Shelter

Why Develop the ES Framework?

1. To provide the best service possible to people and the community within available resources
2. To respond to local evolution in shelter options and approach to service in the system
3. To clarify how shelter fits in a system designed to prevent and end homelessness
4. To support implementation of the Province's updated Long Term Affordable Housing Strategy (LTAHS) and Community Homelessness Prevention Initiative (CHPI)

Emergency Shelter

	Pre-CHPI	Post CHPI
Legislation	OW Act	Housing Services Act
Ministry	MCSS	MHO
Policy	OW Directives	LTAHS
Funding	Uncapped, Cost-shared per diem with PNA	Capped, 100% CHPI (no PNA)
Guidelines	Local Guidelines	CHPI Program Guidelines
Plans	Annual Budget Submission	CHPI Investment Plan & 10 Year Plan (2014)
Reporting	Financial	Service & Outcome

System Change

Working To Be Better Aligned & Coordinated

ES Framework

Development Process: 2013-2016

- Reviewed investments, policies, practices
- Environmental scan and new learning
- Extensive consultation
 - Meetings: 16 Working Group + 4 sets with agencies
 - Input from support workers and program participants
 - 6 surveys (providers and broad community input)
 - 3 open community forums + 4 stakeholder meetings
 - 4 drafts out for review

ES Framework – What It Includes

- History and context for local shelter services
- New program description
 - Policy direction
 - Definition and purpose
 - Scope of activities under four new service objectives
 - 10 core elements
 - New funding model
- Implementation next steps

The "ABCs of Shelter Policy"

New Shelter Design & Policy Direction

Avoid a shelter stay wherever possible

Align policies and practices to prevent homelessness.

Bring together quality shelter services

Be housing-focused.

Be accessible, safe, and strengths-based.

Balance shelter demand with limited shelter resources.

Community resolves complex housing issues

Collaborate to address unmet housing stability needs.

"7 Steps of Shelter Service"

1. Explore **diversion** options
2. Offer **space in region**
3. Within 48 hours, develop or update **Housing Plan**
4. Have **daily intentional housing conversations**; refer to Toolkit, Hubs, Resource Centres, Street Outreach
5. Monitor **Housing Plan** progress; when needed, **assess** to inform next steps
6. As needed, engage **circles of support** for finding housing
7. Support discharges

PAST

APRIL 1st / FUTURE

No single source of information – lots of myths

Clear, transparent ES Framework

People felt they needed to access shelter for non-shelter services

Non-shelter services never tied to a stay

Inconsistent approaches and levels of support - not aligned toward housing

Length of stay and services tailored to individualized Housing Plan

People bounced between shelters – sometimes "fell through the cracks", had to repeat their story

Consistent diversion, intake and discharge processes and materials – integrated database – coordinated access to more support

Family Shelter Diversion Results

- 524 families served
- ↓ 48% families accessing shelter
- ↓ 48% in average length of stay
- ↓ 68% in average cost to serve a family

PRIORTIZED ACCESS TO HOUSING SUPPORT (PATHS)

PATHS Partners

While waiting for housing support, people continue to be served through Housing Resource Centres, Emergency Shelter and Street Outreach. They may also be waiting for a Community Housing offer.

Shorter-Term Mobile Housing Support (Level 3)

Longer-Term Mobile Housing Support (Level 4)

Supportive Housing (Level 4)

Other System Partner Resources

Moving from Thinking to Doing

- [Framework](#) + [summary](#)
- Agreements April 1, 2017
- Communication Plan
- 2 years+ to implement
- Update Shelter Framework

We Believe...

Everyone should have a safe and accessible place to go when in need.

Emergency shelter provides an essential service - helping people meet their basic needs and find a permanent home.

Having adequate housing and support reduces the need for emergency shelter.

Region of Waterloo Emergency Shelter Framework Implementation

Brad Berg, Social Planning Associate:
Region of Waterloo Community Services
Housing Services Division

DOCS# 2540646

The implementation plan overall

- Communication
- Update and/or develop operational policies and protocols to align with framework, ABCs and Seven Steps
- Evaluate pilots, funding model
- Support staff capacity through training and job aides

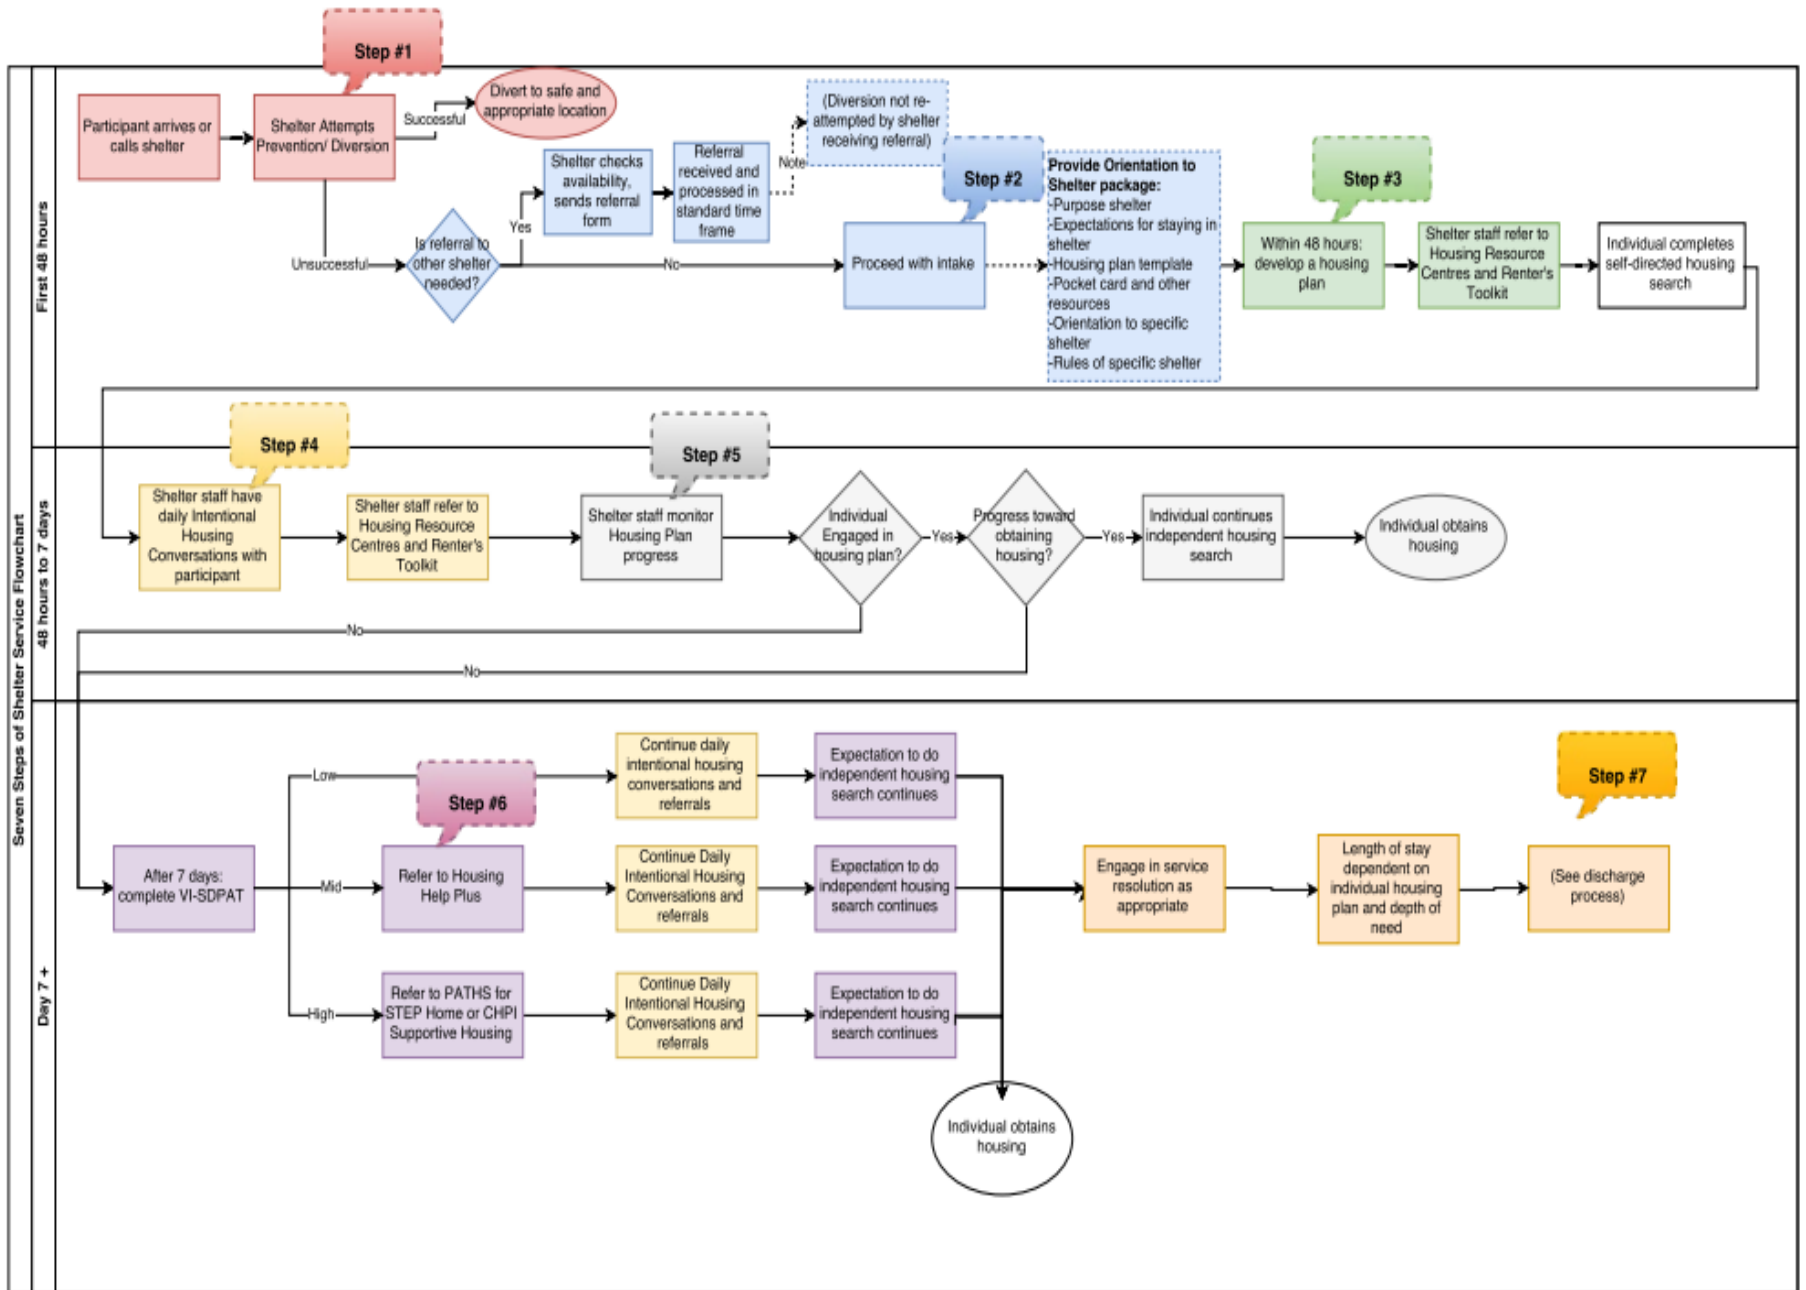

What have we done so far? 6 months in...

- Started a working group
- Workflow mapping

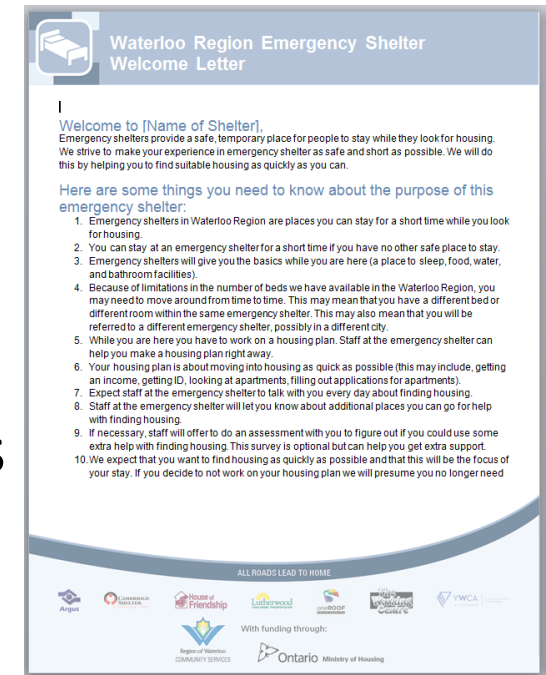

ALL ROADS LEAD TO HOME

What have we done so far? 6 months in...

- Started a working group
- Workflow mapping
- Common intake key messaging
- Shelter prevention and diversion
- Initial focus on longer stays
- Daily intentional housing conversations
- Referral processes
- Talking a lot
 - Among shelters/ service manager
 - With community partners/systems

ALL ROADS LEAD TO HOME

Initial data on the impact...

ALL ROADS LEAD TO HOME

Number of Bed Nights per Month, Emergency Shelters, Waterloo Region: 2016 vs 2017

ALL ROADS LEAD TO HOME

\$ 75,000

ALL ROADS LEAD TO HOME

What have we learned so far?

- Communication
- Time
- Systems challenges
- Resources
- Youth
- Possible new gaps identified
- Complements other initiatives underway

ALL ROADS LEAD TO HOME

What do we still need to figure out?

- Refugees and refugee claimants
- End of stay
- The 15%
- Funding
- Coordinated access

ALL ROADS LEAD TO HOME

What should you consider?

- Read our framework - take what you need
- Engage your partners – youth shelters, family shelters, adult shelters
- Engage other systems/services
- Take the time needed
- And take the leap!
