WHO ARE WE ? WHAT IS OUR MISSION?

Soldiers Helping Soldiers is a national voluntary organization made up of serving and retired military personnel. We help improve the lives of veterans and ex-RCMP members who are homeless or at risk of becoming homeless by quickly connecting them to service and benefit providers. A veteran is a person who has successfully completed his basic qualification within the Canadian Armed Forces.

The fact that the members of Soldiers Helping Soldiers serve/have served in the CAF, facilitates contact with veterans in difficulty, who prefer to dialogue with brothers in arms.

PARTNERS AND SUPPORTERS

We are grateful for the support of local and national partners for their tireless effort. Homeless veterans could not recover without the support and services of the following providers:

- Veterans Affairs Canada
- Food banks
- Homes and Missions
- Health care providers
- Branches of the Royal Canadian Legion
- Police Services
- Military and Royal Canadian Mounted Police (RCMP) Associations
- Community service organizations
- Programs for veterans
- Local regular and reserve units and formations
- Military Family Resource Centers
- Faith groups and communities
